

After more than 15 years of preparation ready for SINDELINGEN Stamp Fair:

Rainer von Scharpen

Catalogue Perfins of the Kingdom of Bavaria

Preface by Peter Sem

Trilingual edition in German – English – French, 555 pages DIN A-4, 100 pages in colour.

Detailed introduction to Bavarian perfin collecting.

Front and backside reproduction of some 650 perfins, scale 1:1,
with numerous new discoveries and new identifications.

Listed are the user, his branch of activity, the period of use and the perforating machine.

For each perfin an inventory of the used stamps and postal stationery is provided
along with – if possible – a document showing the letter head.

Rarity index for isolated perfins and perfin on document. List of names & firms; list of localities;
thematic index.

A MUST for the serious perfin collector!
